WASHINGTON 25, D. C.

6 June 1951

The Honorable James E. Webb Undersecretary of State Department of State Washington, D. C.

Dear Mr. Webb:

The Director, as Chairman of the Psychological Strategy Board, has asked me to pass on to you the enclosed papers, prepared by a working committee of the various departments and agencies represented on the Board. The purpose of these papers is to submit for the Board's consideration a suggested definition of the Board's functions, a proposed outline of its organization and certain of the problems to which the Board and the Director, when appointed, might give early consideration.

There is also included a proposed agenda for a meeting of the Board which the Director expects to call in the near future.

Very truly yours,

Allen W. Dulles Deputy Director
